FIRST DESCENTS PROVIDES LIFE-CHANGING OUTDOOR ADVENTURES FOR YOUNG ADULTS IMPACTED BY CANCER AND OTHER SERIOUS HEALTH CONDITIONS

Through outdoor adventure, community building, and skills development, First Descents improves long-term survivorship and quality of life for young adults impacted by cancer and other serious health conditions.

First Descents is the leader in adventure-based healing. In 2019, First Descents provided over 1,500 experiences across 150 adventure programs nationwide. Thousands of young adults have taken on countless outdoor adventures in an act of defiance of their diagnosis.

YOUNG ADULTS AND ADOLESCENTS REPRESENT THE FASTEST-GROWING AND MOST-UNDERSERVED CANCER DEMOGRAPHIC

80,000 young adults are diagnosed with cancer and other serious health conditions each year. First Descents is on a mission to extend the healing power of adventure to each one of them.

Through First Descents' programs, participants are empowered to climb, paddle and surf beyond their diagnosis, reclaim their lives, and connect with others doing the same.

HONOR ANNIE'S MEMORY BY SHARING THE MAGIC OF ADVENTURE

When Annie Fuller returned from her week-long First Descents ice climbing program, she was changed. She experienced the transformative powers of First Descents, and brought the spirit of adventure into the rest of her life. In April, friends of Annie and First Descents will come together for an evening of celebration and community!

Our goal is to raise \$75,000 to underwrite the Annie Fuller Adventure Program so that more young adults can experience the magic and healing that inspired Annie. Your support will change the lives of young adults living with and surviving cancer in 2020. We look forward to celebrating with you and honoring Annie's memory.

ALIGN YOUR BRAND WITH THE HEALING POWER OF ADVENTURE

MT. EVEREST
> \$25,000

- Underwrites a First Descents weeklong program serving 15 participants, named in sponsor's honor and recognized on the FD website.
